

School Council Newsletter

February 2020

Our Vision:

"To improve life at school for all our classmates. To find ways to make a difference to our world - and plant as many trees as we can!"

Aim High - Respect Others - Make a Difference

Just One Tree

Healthy Bake Sale - in aid of Australian bushfire appeal

On 22nd November 2019 we raised £50 by organising a non-school uniform day. The Thorncombe Village Trust very kindly doubled the amount to make £100 in total which we donated to our chosen charity, Just One Tree! The money raised will plant **100 trees** in countries like Kenya, Madagascar and Haiti.

On Friday 24th January we asked people to bring in low-sugar baking products to raise money for animals and people in Australia affected by the terrible bushfires. We raised in

total **£46** which we have donated to Penny Appeal Australia.

Thank you for your support!

Pupil Questionnaires

We wanted to find out how pupils feel about school. Most children told us they feel happy and safe. Most children enjoy playtime and lunchtimes but some said they do not.

We held drop-in clinics to find out more. The older children especially told us that they do not have enough outdoor play equipment, so we are researching some **new playground equipment....** so watch this space!!

Coming soon.....

We are planning to plant lots more trees to help fight climate change!

Our aim is to plant **500 trees** by the end of this academic year!
