26th February 2021

Dear Parents and Carers,

We are delighted to welcome back all pupils to school on Monday 8th March, as announced earlier this week by the Prime Minister.

Please find attached information relating to how the school will operate in line with government guidelines. We have worked on this document to ensure it reflects the most up-to-date guidance we have received and we will continue to update you as and when we receive further information.

Please be reassured that we are doing all we can to ensure we operate in the safest possible way. All staff have undertaken training to prepare for the return of pupils. Please remember we are here to support you in this return to school – do make contact with us if you would like to discuss any particular issues or worries your child may have.

As we receive further government guidance we will share this with you.

We really look forward to welcoming back to Thorncombe St Mary's and working in partnership with you all once again.

Yours sincerely

Miss Emily Smith

Head of School
